Join the ECDC- EACS Monkeypox webinars

Since May 2022, ECDC together with EACS have organised several online webinars on Monkeypox, with the aim to establish an international exchange on the topic.

The 16th session will take place on **22 November, 15:00-16:30 CET**.

The **last webinar of this year** will take place on **6 December, 15:00-16:30 CET**. The link for this session will be available soon.

Please send an email to teymur.noori@ecdc.europa.eu if you want to participate.

Participate in the EACS General Assembly

Members are invited to the EACS General Assembly on **Wednesday, 23 November 2022 from 17:00-18:00 CET**.

The meeting will take place online by video conference.

Should you wish to attend the meeting, please contact the EACS Secretariat at info@eacsociety.org.

Join the WAVE Breastfeeding Group & their first online meeting

The WAVE Breastfeeding Group would like to invite you to join their first meeting on **18 January 2023 at 18:00 CET**.

The WAVE Breastfeeding Group is a working group that aims to improve European collaboration on HIV and breastfeeding by bringing together all interested parties. To connect researchers across Europe a LinkedIn platform

has just been implemented by the breastfeeding group. Everyone interested in the topic is invited to join the group.

[Click here to join the LinkedIn group](#)

At the first meeting on 18 January 2023, Amy Keane from Dublin will present results from the WAVE survey on **"Guidelines and practice of Breastfeeding in Women Living with HIV across Europe"**.

To register for the webinar please contact WaveSecretariat@eacsociety.org.

It's time to revisit! Save the date for the 19th European AIDS Conference

We are counting down to the 19th European AIDS Conference which will take place in **Warsaw, 18-21 October 2023**.

Take a look at the **"save the date" video!**

PentaTr@ining: Fungal Infections in Paediatrics

A new interactive training course, 19 September - 15 December 2022.

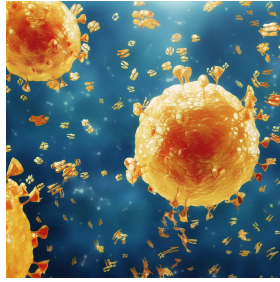

The interactive online course comprises of 6 comprehensive and thought-provoking training modules, a variety of real-life clinical cases for discussion, live webinars and dedicated tutoring from a panel of expert trainers.

Building on the combined expertise within the EPMyn and Fungal Infections Group and the PentaTr@ining infrastructure, the aim is to deliver an international, accessible, and affordable training course. The exciting training programme utilises a child-centered teaching model to support ongoing learning needs with innovative e-learning methods.
