

Share your art at the 19th European AIDS Conference

The European AIDS Clinical Society (EACS) wishes to put the creative work of people living with HIV in the spotlight at the 19th European AIDS Conference in Warsaw, Poland, 18-21 October 2023. Artists living with HIV are invited to submit their work - drawings, paintings, prints, photographs, short movies or images of 3D exhibits - which must have been created between 2019 and 2023.

Art with HIV-related themes is especially encouraged, and artists can remain anonymous if they wish.

An international jury will choose which artworks will be displayed at the Conference. Following that, delegates can vote for their favourite exhibit.

Prizes for the most popular pieces will be announced at the Conference Closing ceremony on 21 October at 13:30 (CET) and thereafter on the EACS website.

First place: 1,500 EUR
Second place: 1,000 EUR
Third place: 500 EUR

How to enter:

Artists should submit high resolution digital files of their artwork (maximum 3). Format should be JPG, PNG, PDF, or MP4. Videos can also be submitted through Vimeo or YouTube links.

Note that videos can only be displayed without sound at the exhibition. So please keep that in mind for your submission.

Please identify each artwork file using: first name and surname, with a consecutive number for each submitted piece - (for example, MariaLopez1, MariaLopez2 etc). Please also give the title and size of each work in the body of the message.

All selected artists will receive complimentary registration for the [19th European AIDS Conference](#).

Deadline for submissions: Tuesday, 6 June 2023.

Email entries to art.exhibition@eacsociety.org using WeTransfer only, addressed to Joelle Verluyten, Executive Secretary, EACS.

We are very much looking forward to seeing your work.
