

EACS Newsletter - January 2019

Happy New Year !

Dear EACS members,

Happy New Year!

As we are entering 2019, we are looking forward to some exciting events this year. Starting with our Standard of care meeting in Bucharest 30-31st of January, the next moderated period of our Clinical Management of HIV Online Course ending on 10th February 2019 and our HIV Summer School in Montpellier, France from 30th August to 3rd September, we will move to our highlight of the year which is our European AIDS Conference organised in Basel, Switzerland from 6-9 of November 2019.

With the landscape of HIV and AIDS continually evolving, the 17th European AIDS Conference, drawing on the best and latest science, will be at the forefront of helping you translate these developments into daily clinical practice. We plan to create not only a stimulating scientific programme but also an innovative space where you can meet, learn and share science and experiences with fellow clinicians. We really hope you can join us there.

Finally, let me thank you for all your support and enthusiasm in 2018. Let's continue to work together for an AIDS-free generation and no more new HIV infections.

Together we can change the world!

Best wishes,
Jürgen Rockstroh
President
