A wide-angle photograph of Basel, Switzerland, taken from an elevated position. The Rhine River flows through the center of the frame, with a stone bridge crossing it in the distance. On the left bank, a large, historic church with two prominent spires is visible. The sky is blue with scattered white clouds, and the sun is low on the horizon, creating a warm, golden glow. The text 'MEET YOU IN BASEL!' is overlaid in large, white, bold letters across the middle of the image.

MEET YOU IN BASEL!
